Power Generators

3100W Electric Start Generator
Code GT3000ES

The functional Electric Start compliments the industrial quality of the GT3000ES. With all the unique GT POWER features like industrial air cleaner & muffler system – for cleaner quieter operating, superior quality alternator & automatic voltage regulator (AVR) – for more stable power output and low oil alert with automatic engine shutdown. Ergonomic handles and heavy duty solid wheel kit with rubber tyres for portability make the GT3000ES ideal for using at the home, farm or construction site.

Output (Max) - 3100W
Amps (Max) - 13.5
Engine type - 4 Stroke OHV
Fuel tank - 15L
Run time - 9.5hrs
Weight - 48kg

3800W Electric Start Generator
Code GT3600ES

The functional Electric Start compliments the industrial quality of the GT3600ES. With all the unique GT POWER features like industrial air cleaner & muffler system – for cleaner quieter operating, superior quality alternator & automatic voltage regulator (AVR) – for more stable power output and low oil alert with automatic engine shutdown. With the capability of running a drop saw and all powertools the GT3600ES is ideal for the home workshop or garage.

Output (Max) - 3800W
Amps (Max) - 16.5
Engine type - 4 Stroke OHV
Fuel tank - 15L
Run time - 9.5hrs
Weight - 50kg

5500W Electric Start Generator
Code GT5600ES

The heavy duty 25L fuel tank and the industrial quality of the GT5600ES will keep you in power all day. With all the unique GT POWER features like industrial air cleaner & muffler system – for cleaner quieter operating, superior quality alternator & automatic voltage regulator (AVR) – for more stable power output and low oil alert with automatic engine shutdown. With the capability of running multiple powertools or household items the GT5600ES is ideal for running the bach, farm shed or emergency back-up power.

Output (Max) - 5500W
Amps (Max) - 23.9
Engine type - 4 Stroke OHV
Fuel tank - 25L
Run time - 8.5hrs
Weight - 81kg

7000W Electric Start Generator
Code GT7000ESQ

The large 25L fuel tank and industrial quality of the GT7000ES will keep you in power all day. This machine includes all the GT Power features like industrial air cleaner & muffler system, superior quality copper wound alternator & automatic voltage regulator (AVR) and low engine oil alert with automatic engine shutdown. Combine these benefits with the premium build quality of GT Power and you have a machine that provides sterling service for a lifetime! With the capability of running multiple powertools, lights and industrial equipment, the GT7000ES is ideal for running the bach, farm shed or emergency back-up power. Featuring an inbuilt RCD and twin 15A outlets this machine is ready to tackle the toughest task including powering a welding machine up to 150A.

Output (Max) - 7000W
Amps (Max) - 27
Engine type - 4 Stroke OHV
Fuel tank - 25L
Run time - 13hrs
Weight - 88kg

10000W Electric Start Generator
Code GT10000ESQ

The large 25L fuel tank and the industrial quality of the GT10000ESQ will keep you in power all day. With all the unique GT POWER features like the patented Tomahawk Alternator, industrial air cleaner & muffler system, automatic voltage regulator (AVR) and low oil alert, this state of the art generator empowers you to tackle any task!
This machine is the Big Boy in the range and packs a serious punch - being able to power a small house, workshop or a work site. Also the ideal generator for back-up power in natural disasters.

Featuring a heavy duty outlet plug with adapter cord for maximum generator output - the GT10000ESQ is suitable for power tools, appliances, food carts and even a welding machine up to 200A.

Output (Max) - 9000W
Amps (Max) - 35
Engine type - 4 Stroke OHV
Fuel tank - 25L
Run time - 8hrs
